

# TRANSFORMATION

2010 East Coast PAGL Associates Meeting

*A spiritual realization* comes to consciousness very peacefully... [and] transforms our entire outlook on reality.\*

Sunday  
April 25th, 2010

9 am - 3:30 pm  
Program starts @ 9:30

House of the Redeemer  
7 E. 95th Street, NYC

When we are more interested in spiritual truth than anything else, it can transform our consciousness, our character, and even our everyday experiences. How has metapsychiatry transformed your life? From a simple shift in awareness to a life altering experience, we'd like to hear your story. What ideas have you found to be uplifting, transformative, and healing?

Please consider submitting a paper (1-2 pages) to Ruth Robins (Robinspagl@aol.com) by April 10th. Everyone is encouraged to participate. The meeting will consist of paper presentations and group dialogue to discuss the application of these ideas in everyday life. Come join us for a day of learning and laughter.
